TRAINING EVENT

From the 11th of January to the 13th of January we have celebrated a 3 day Training event. Trainers from partner organisations have been trained how to use these outputs and will develop the respective skills, so they will be able to transmit this knowledge to other teachers and act as multipliers. It has been an opportunity to evaluate these outputs and give feedback for finalising them and the Guide for school directors and teachers. Trainers gave their input to finalise also structure and content of the webinar for teachers.

WEBINARS

We will be organizing webinars to explain the results you can find in the platform and the framework of the European contest. Join our webinars so that you don't miss anything!
