

EUROPEAN CONTEST

We will be organizing an European contest for business ideas. If you are willing to participate in the contest, visit our platform for more information. The winners of the contest will be announced the 29th of September on a conference in Bilbao and on [our website](#).

HOW TO PARTICIPATE

The participants have to upload a Canvas Model or a video presenting their business idea to take part in the contest. You have to upload your idea in the following [link](#), where you can also find the Canvas Model template.

We have a **PRIZE!**
300€ for the winning

START UP COMMUNITY

School Starters' Hub is much more than a platform. It is a European community for innovation where you can exchange your ideas and where we bring together students and communities with the entrepreneurial world.

EVALUATION OF IDEA

The business idea has to be uploaded before the 23rd of September. In the platform, you will find two assesment rubrics that will be used to evaluate your idea. One in case you present it through the Canvas Model and one in case you create your own video.
